She's always talking about dicks

That WAS Amaguni Senko, right?

Am I dreaming or something?

She reacted so normally!

Eh...

What was that...

There's no way she'd change that much

Wait, wait, wait...

Ah, sure

Wait over there

I'm going to make lunch.

She's definitely up to something this early in the year!

Knowing her...

Is she trying to play a character?

They're what's making her act different.

Those glasses are out of place.

Sneak

So if I take off her glasses.

There!

Fwooh

About me doing it last night

Go on, say it

Come on, say what you always do

ドキ
Thump

ドキ
Thump

Without these...

You look the same as always!!

Hah.

I masturbated last night, you know!

Heey!

Turn

Um.
I'm busy right now

I don't want to hear about that!

Ma

Blush

She'd be a pretty good girl wouldn't she?

Hang on.

If she weren't always saying weird things.

So what I'm looking at right now...

is a normal high school girl!

Hang on for a bit.

I'll be done soon.

This is making me really nervous...

Whoosh!

Oh man, being alone with a high school girl.

THUMP

I'll see you
again in a month.
